

CONTRACTORS MIX

90%* Annual Ryegrass

10%* Perennial Ryegrass

*Field run blend, percentages may vary from lot to lot

SEEDING RATE: 5-8 LBS./1000 SQ. FT.

- ◆ Annual Ryegrass– Very fast to germinate and establish. Only last one year
- ◆ Perennial Ryegrass – Provides quick cover, will last for 3-4 years

Benefits of Mix

- ◆ Provides very fast cover to prevent erosion
- ◆ Will provide some cover for 2-3 years
- ◆ Economical temporary seed mix
- ◆ Ideal for site stabilization, top soil piles etc.
